

## A Stronger Voice Where It Matters!

### Who Are the Gray Panthers?

Gray Panthers is an organization formed by Maggie Kuhn in 1970 with a handful of people dedicated to social change. We are now nationwide! We welcome activists of all ages to work together on the tough problems which affect all generations.

### What Do Gray Panthers Do?

Gray Panthers bring about changes through study, education, and activism. We testify locally and nationally, get petitions signed, and belong to local task forces. We write letters, "table" on issues, belong to Statewide coalitions and focus committees, and provide financial support with our dues. Each member is free to choose his/her own level of involvement. Whatever your interests and concerns, we have a spot for you.
